The logo consists of the words "boutik" and "santé" in a dark purple, rounded sans-serif font. A stylized plant stem, also in dark purple, originates from the top of the letter 't' in "boutik", curves upwards and to the left, and then downwards and to the left, ending in a leaf. A second leaf is positioned above the stem. A third leaf is positioned to the left of the letter 's' in "santé". All leaves are a light green color with a darker green vein.
